\*\*\*\*\*

*Originally founded in 1926 as the St. Tarcissus Altar and Rosary Society, the Women's Club is the official women's organization of St. Tarcissus. All ladies of the parish are welcome and encouraged to join us for faith, fellowship and fun!*

*Our goal is to foster spiritual growth, service to others and social activities while also honoring the Blessed Mother through devotion of the Rosary. Program meetings are held monthly, September through June, and typically include prayer, a time to share and a service project or social activity. The Women's Club donates to the Parish and school, those in need within and outside our community, the St. Vincent de Paul Society, the Girl Scouts, veteran's groups and other organizations. Some members of Women's Club also tend to care of the altar and the linens.*

*Women's Club members attend the 9:30 AM mass on the third Sunday of each month, which is specifically offered for Women's Club members.*

*Learn - Share - Volunteer - Worship - Laugh - Discover*
